	Sequencing, Inferencing, Predication.	Sequencing, Inferencing, Predication.	Sequencing, Inferencing, Predication.
Maths	Unit 1: Number – Numbers to 100 (18 lessons) Unit 2: Number – Addition and subtraction 1 Addition methods, Subtraction methods, Problems (addition and subtraction); (13 lessons) Unit 3: Number – Addition and subtraction 2; (12 lessons) Unit 4: Properties of Shapes (12 lessons)	Unit 5: Measurement - Money (10 lessons) Unit 6: Number – Multiplication and Division (1) (8 lessons) Unit 7: Multiplication and Division (2) (10 lessons) Unit 10: Fractions - Recognising, finding and making fractions, Equivalence, Counting and calculating fractions; (13 lessons) Unit 8: Measurement – Length and height, Problems (measurement); (5 lessons) Unit 9: Mass, capacity and temperature (8 lessons)	Revisit Unit 2 and Unit 5 2 Step Problem Lessons* Unit 11: Measurement – Time (6 lessons) Unit 12: Problem Solving and Efficient Methods (12 lessons) Unit 13: Geometry – Position, direction and coordinates; (5 lessons) Number – Addition and subtraction, Problem solving and efficient methods; (12 lessons) Unit 14: Statistics (7 lessons)
Science	 Living Things and Habitats (7 Lessons) Pupils are taught to explore and compare the differences between things that are living, dead, and things that have never been alive Identify that most living things live in habitats to which they are suited and describe how different habitats provide for the basic needs of different kinds of animals and plants, and how they depend on each other. Identify and name a variety of plants and animals in their habitats, including microhabitats. Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food.  Humans (5 Lessons) Pupils are taught to:	 Humans (2 Lesson)  Everyday Materials (6 Lessons) Pupils are taught to identify and compare the suitability of a variety of everyday materials, including wood, metal, plastic, glass, brick, rock, paper and cardboard for particular uses Find out how the shapes of solid objects made from some materials can be changed by squashing, bending, twisting and stretching.	 Plant Survival (6 Lessons) Pupils are taught to observe and describe how seeds and bulbs grow into mature plants Find out and describe how plants need water, light and a suitable temperature to grow and stay healthy.  Animal Survival (7 Lessons) Pupils are taught to: _ Notice that animals, including humans, have offspring which grow into adults. Find out about and describe the basic needs of animals, including humans, for survival (water, food and air)

YEAR 2 CURRICULUM OVERVIEW (LTP) (Class 5 and 6)

Charnock Hall Primary Academy
A L.E.A.D. Academy

	Notice that animals, including humans, have offspring which grow into adults Find out about and describe the basic needs of animals, including humans, for survival (water, food and air). Describe the importance for humans of exercise, eating the right amounts of different types of food, and hygiene.		
Computing	Unit 1: Computing systems and networks. IT is around us (connecting computers). Unit 2 Creating media (digital photography). 	Unit 4: Data and information (pictograms). Unit 5: Creating media (digital music) 	Unit 3: Programming (Robot Algorithm). Unit 6: Programming B (programming quizzes) 
Art and Design	Unit 1: Explore & Draw Unit 2: Exploring the World Through Mono Print 	Unit 3: Be An Architect Unit 4: Expressive Painting 	Unit 5: Stick Transformation Project Unit 6: Music & Art 
Design and Technology	 Push and Pull - This project teaches children about three types of mechanism: sliders, levers and linkages. They make models of each mechanism before designing and making a greetings card with a moving part.	 Beach Hut - Structures – strengthening and joining. This project teaches children about making and strengthening structures, including different ways of joining materials.	 Remarkable Recipes - Sources of food; Kitchen tools; Reading recipes; Hygiene rules; Making a school meal. This project teaches children about sources of food and tools used for food preparation. They also discover why some foods are cooked and learn to read a simple recipe. The children choose and make a new school meal that fulfils specific design criteria.

YEAR 2 CURRICULUM OVERVIEW (LTP) (Class 5 and 6)

Charnock Hall Primary Academy
A L.E.A.D. Academy

Geography	Significant Places – royal residences	 Coastline - Maps, globes and atlases; World seas and oceans; Human and physical features; Locational language; Compass directions; Physical processes – erosion; Changes over time; Tourism. This project teaches children about the physical and human features of coastal regions across the United Kingdom, including a detailed exploration of the coastal town of Whitby, in Yorkshire.	Historical landmarks - Significant Places  Let's Explore the World - Using an atlas; Using a compass; Using map keys; Locating the equator, Northern and Southern Hemispheres and North and South Poles; Hot, temperate and cold places; Comparing England to Somalia; Fieldwork. This essential skills and knowledge project teaches children about atlases, maps and cardinal compass points. They learn about the characteristics of the four countries of the United Kingdom and find out why there are hot, temperate and cold places around the world. They also compare England to Somalia. Children carry out fieldwork, collecting primary data in their locality to answer geographical questions.
History	 Magnificent Monarchs - Historical vocabulary; Historical periods; Timelines; Power and rule; Historical artefacts; Significant people – Henry VIII, Queen Victoria, Queen Elizabeth II, King Charles III. Actions and impact; Historical models. This project teaches children about the English and British monarchy from AD 871 to the present day. Using timelines, information about royal palaces, portraits and other historical sources, they build up an understanding of the monarchs and then research six of the most significant sovereigns.		 Movers and Shakers - Historical models; Exploring significance; Local historically significant person; Historical vocabulary; Chronology and timelines; Historically significant artists, activists, explorers, monarchs and scientists; Facts and opinions; Memorials; Significant people – Emmeline Pankhurst, Christopher Columbus, Neil Armstrong, Rosa Parks, Vincent van Gogh. This project teaches children about historically significant people who have had a major impact on the world. They will learn to use timelines, stories and historical sources to find out about the people

YEAR 2 CURRICULUM OVERVIEW (LTP) (Class 5 and 6)

Charnock Hall Primary Academy
A L.E.A.D. Academy

			featured and use historical models to explore their significance.
Music	 Hands, Feet, Heart - This is a six-week Unit of Work. All the learning is focused around one song: Hands, Feet, Heart. The material presents an integrated approach to music where games, the dimensions of music (pulse, rhythm, pitch etc.), singing and playing instruments are all linked. As well as learning to sing, play, improvise and compose with this song, children will listen and appraise different styles of South African music.  KS1 Production of Bethlehem Bake-Off With simple songs, as well as a choice between dramatised or narrated versions, 'Bethlehem Bake-Off' is a delightful Christmas musical for ages 5-7.	 I Wanna Play In a Band - They will learn to sing, play, improvise and compose with this song, children will listen and appraise classic Rock songs.  Zootime - This is a six-week Unit of Work. All the learning is focused around one song: Zootime. The material presents an integrated approach to music where games, the interrelated dimensions of music (pulse, rhythm, pitch etc), singing and playing instruments are all linked	 Friendship Song - They will learn that music has a steady pulse. We will learn that rhythms are different to pulses. We will learn that we add high and low sounds, pitch, when we sing and play instruments  Reflect, Rewind and Replay - This Unit of Work consolidates the learning that has occurred during the year. All the learning is focused around revisiting songs and musical activities, a context for the History of Music and the beginnings of the Language of Music.
PSHE	What makes a good friend? What is bullying?	What jobs do people do? What helps us to stay safe?	What helps us grow and stay healthy? How do we recognise our feelings?
