

Mathematics

Please use the following White Rose resources which will focus on content that pupils would have experience in school during the Summer Term. This content that is covered links directly with our current mathematics scheme within school, Power Maths, just delivered in a different format.

Using this link - <https://whiterosemaths.com/homelearning/year-2/> - please access the 'Week 1' tab to access the 5 different lessons for this upcoming week:

Lesson 1 – Making equal parts

Lesson 2 – Recognise a half

Lesson 3 – Find a half

Lesson 4 – Recognise a quarter

Lesson 5- Find a quarter

There is a video for each lesson that children can watch prior to completing the downloadable activity. The independent activity and the answers are also located next to the video – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!**
