

# Charnock Hall Primary Academy – Home Learning

EYFS Classes 1 and 2

## ENGLISH

The focus for the next two weeks is the Pie Corbett 'Talk for Writing' document. This is a mixture of stories, poems and facts to inspire your child to talk and write. Up to page 6 is information for you to read.

### **Monday**

- Complete the activities on Pg 6 Talk about the story and Pg 7 Ladybird words.

### **Tuesday**

- Complete the activities on Pg 8 Read and pretend; and Pg 9 Rhyme time

### **Wednesday**

- Complete the activities on Pg 10 out and about and pg 13 story plan

### **Thursday**

- Complete the activities on page 11 – sequence the story.

### **Friday**

- Complete the activities on Pg 13 and 14 – poems and talk

## PHONICS

Please see the attached document phonics for which lesson to complete

You can also practise phonemes using this site:

Practise\*: <https://new.phonicsplay.co.uk/resources/phase/3>

password: home

## MATHS

### **Monday**

- Introduce the children to 2D (2 dimensional) shapes: circle, square, rectangle, and triangle. Explain that these shapes are 2D (flat shapes) **Look at the '2D shape recognition' PowerPoint.**
- Today focus on **circles** and **squares**. Look at a circle – look closely at the shape. What does it have? (*a circle has no straight sides and no corners, it has one curved edge*)
- Look at a square – look closely at the shape. What does it have? Count the sides / corners (*a square has 4 sides which are all the same length and 4 corners*)
- Practise drawing a circle – can children find circular objects to draw round?

W/B 27.4.20

- Practise drawing a square.

### Tuesday

- Watch video / song : <https://www.youtube.com/watch?v=beTDz9HSNOM>
- Reflect on 2D shapes we focused on yesterday (circle and square). What does a circle have? What does a square have?
- Today focus on **triangles** and **rectangles**. Look at a triangle – look closely at the shape. What does it have? (*a triangle has 3 straight sides and 3 corners*)
- Look at a rectangle. Look closely at the shape. What does it have? Count the sides / corners (*a rectangle has 4 sides; 2 of them are long and 2 of them are short and 4 corners*)
- Practise drawing a triangle.
- Practise drawing a rectangle.

### Wednesday

- Recap on the 2D shapes (circle, square, triangle, rectangle)
- Sing 2D shape song: <https://www.bbc.co.uk/bitesize/clips/zhnvcdm>
- Go on a 2D shape hunt around the house / garden
- Look for any 2D shapes.
- Record in books any 2D shapes found on our 2D shape hunt.

### Thursday

- Introduce the children to 3D (3 dimensional) shapes: sphere, cube, cuboid, cylinder and cone. Explain that these shapes are 3D (solid shapes)
- Sing 3D shape song <https://www.youtube.com/watch?v=guNdJ5MtX1A>
- Look at the PowerPoint 'Everyday 3D shapes'
- Name the 3D shapes and talk about them

### Friday

- Recap on yesterday's learning – can we remember the names of any 3D shapes?
  - Watch video <https://www.youtube.com/watch?v=zPZegz690Mg>
- Go on a 3D shape hunt around the house / garden
- Look for any 3D shapes.
- Record in books any 3D shapes found on our 3D shape hunt.

For PE please see the attached information and on the newsletter. For EYFS you can use the KS1 lessons.
