Friday 29th May 2020

Dear Parent / Carer

As you know, Charnock Hall Primary Academy is part of the L.E.A.D. Academy Trust. The Trust is responsible for 25 academies and is legally responsible for our academy. This means that the decision for the wider opening of our academy rests with L.E.A.D. Academy Trust. The safety of pupils, staff and parents is the Trust's main priority and, as a result of this, L.E.A.D. Academy Trust have issued the following:

After consideration of the latest government updates, the Trust has taken the following decisions:

- the readmission of pupils in Reception, Y1 and Y6 will be deferred until a later date.
- pupils should be readmitted in a phased way so that pupils in Reception, Y1 and Y6 can be invited back to school

These decisions are subject to further review, and are subject to the Trust being satisfied that it is safe to proceed as described above.

These decisions have not been taken lightly, and the decisions have been based around the following main points:

- **Safety – Risk Assessments:** a huge amount of work has gone into the completion of risk assessments. However, due to the volume of government updates and the timing of these, more time is needed to fully implement all of the actions identified in academy risk assessments. This is so that each academy is as safe as possible, and that the level of risk is tolerable;
- **Safety – Track and Trace:** the government have said that the Covid-19 track and trace system is a key strategy in helping to keep people safe by monitoring potential infection outbreaks within the community. This system only went live yesterday and experienced some technical difficulties. More time is needed in order to allow this system to settle and operate in a way that best supports us to keep staff, pupils and parents safe;
- **Preparedness:** whilst we all want pupils to return to school, the timescales for ensuring schools are properly prepared for pupils to return has been too short, despite staff working through their holidays. We are very aware of the extraordinary lengths Headteachers and their teams have gone to in order to be ready to welcome pupils back to school, but believe that more time is essential. This is so that all relevant policies can be amended prior to pupils returning, with staff fully trained as to how policies have changed due to Covid-19.

We appreciate that you will have been planning for the return to school next week, but the Trust's priority is to keep people safe. The challenges Covid-19 presents, means that decisions are taken based on information as it becomes available – often at short notice. Thank you for your understanding.

I would also like to thank you once again for your understanding. I will be in further contact with you as soon as I am in a position to do so following further information sent to me by L.E.A.D. Academy Trust.

Yours sincerely,

Mr P M Burgess
