

## **Y1 Curriculum Planning Document – W/C 18<sup>th</sup> May 2020**

Hello everyone!

We hope you are still keeping safe and well. Please have a look at what learning suggestions we have put for this week. Keep on with all the excellent learning we have been hearing about. Use the email if you have any questions that you want to ask us, or if you want to send in anything to show us. We really look forward to seeing what you have been up to.

Stay safe and well!

The Y1 Team.

### **Phonics/Reading**

Please follow the link below to access the phonics lesson each day. The new lesson will start at either 10am, 11am or 10:30 depending which Bookband your child is on.

For reading, please continue to read the books from the link to Bug Club you were sent last week. There are lots of books to explore. You can also use the links we have sent previously for Oxford Owl [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) or you can listen to a range of stories at [www.storynory.com](http://www.storynory.com) This is a great time to develop a passion for reading.

### **Mathematics**

Please use the following White Rose resources which will focus on content that pupils would have experience in school during the Summer Term. This content that is covered links directly with our current mathematics scheme within school, Power Maths, just delivered in a different format.

Using this link <https://whiterosemaths.com/homelearning/year-1/> - and access Summer Term Week 1.

Lesson 1 – Make doubles

Lesson 2 – Make equal groups (grouping)

Lesson 3 – Make equal groups (sharing)

Lesson 4 – Find a half (1)

Lesson 5 – Practise counting in 2s, 5s and 10s or practise timetables.

There is a video for each lesson that children can watch prior to completing the downloadable activity. The independent activity and the answers are also located next to the video – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!**

### **English (Writing and SPaG)**

Talk for Writing Unit of Work (Pippety Skycap A tale of Mischief!)

This booklet has been for the next two weeks for English. There are more than 10 activities in total, so 1 activity per day is sufficient enough. The riddles on page 16 is where you could aim to work up to by the end of the week.

Each booklet contains a story and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your children will really enjoy this as it allows them to be creative!

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

We hope you are enjoying our Moon Zoom topic.

**This week, we have recommended further activities to have a go at completing:**

**Science:** <https://www.childrensuniversity.manchester.ac.uk/learning-activities/science/the-earth-and-beyond/redeem-certificate/> is a cool website that explains shadows, orbits as well as day and night for children. It's interactive too.

There's also this website that will show the children all the planets moving around the sun, it's pretty cool!!
