

## Y2 Curriculum Planning Document – W/C 18<sup>th</sup> May 2020

### Mathematics

Please use the following White Rose resources which will focus on content that pupils would have experience in school during the Summer Term. This content that is covered links directly with our current mathematics scheme within school, Power Maths, just delivered in a different format.

Using this link - <https://whiterosemaths.com/homelearning/year-2/> please access the 'Summer Term Week 2' tab (you might need to scroll down the page to find this) to access the 5 different lessons for this upcoming week:

Lesson 1 – Compare lengths

Lesson 2 – Order lengths

Lesson 3 – Four operations with length

Lesson 4 – Problem solving

Lesson 5- Maths Challenge

There is a video for each lesson that children can watch prior to completing the downloadable activity. The independent activity and the answers are also located next to the video – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!**

### English (Reading, Writing and SPaG)

Talk for Writing Unit of Work (*The Elves and the Shoemaker*)

Each booklet contains a story and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your child will really enjoy this as it allows them to be creative!

Please complete the following activities:

Monday- Pretend to be the elves and write a postcard to Mr and Mrs Cobbler

Tuesday- Plan a story using the story mountain

Wednesday- Write a short story

Thursday- Carry out the investigation and find out which materials are waterproof and write about the investigation and what you found out

Friday- Create your own riddle

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

Have fun!

## Bug Club

Please use this wonderful online programme to allow your child to read books that are set at their reading level. Can you complete the quiz that comes with each book?

Happy Reading!

### Phonics

We are pleased to let you know that your child can receive a daily phonics lesson whilst CHPA remains closed. Phonics is the way we teach children to recognise the sounds in words. It helps your child to learn to read and is an essential part of your child's education.

During the summer term, you will be able to access for your child a daily phonics lesson by clicking on Letters and Sounds for home and school. All lessons are introduced by celebrities, including children's TV presenters, which adds an exciting addition to the lessons.

There are three sets of daily lessons to choose from and we suggest your child starts with one set of lessons most suitable to their reading ability. If you're not sure which lessons your child should watch, please check your child's Home Learning Diary and look at the coloured book band your child is currently reading or send an email to your class teacher for further clarification.

11 am*	<u>Learning to blend</u> <u>Phase 2 recap</u>	For children who are reading a 'Pink' book.
10 am*	<u>Reception Summer term</u> <u>Phases 3 &amp; 4</u>	For children who are reading a 'Red' or 'Yellow' book.
10:30 am*	<u>Year 1 Summer term</u> <u>Phase 5</u>	For children who are reading a 'Blue', 'Green', 'Orange' or above book.

You will find the lessons on the following link:

[https://www.youtube.com/channel/UCP\\_FbjYUP\\_UtldV2K\\_-niWw/featured](https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured)

After watching each lesson, we encourage you to read aloud to your child and if your child has reading books from school, listen to your child read.

### Other Curriculum Areas

**We have recommended different activities to have a go at completing this week:**

**Spanish** – All about Spain

Investigate Spain! Where is it? What is the capital city? What does the Spanish flag look like? Which other countries speak Spanish? Create a poster or presentation to show your learning about Spain.

**Design and Technology-** Design your own ice cream! What flavours are you going to have? What toppings would you have? Draw your diagram and label it. Can you explain why your ice cream is the best?

**PE – Fitter Future**

This week we are challenging Year 2 to use Fitter Future: Get Active and Fitter Fitter: Get Mindful as a tool to help keep you physically and mentally active during this time.

To access the programme simply visit [www.fitterfuture.com](http://www.fitterfuture.com) and select SIGN IN followed by STUDENT. Please use the below logins dependant on which year your child is in.

The platform is not designed for multi users with the same login details but due to the current situation it is easier to give every child in the school the same username and password rather than generate one per child which then needs emailing, by the school, to each parent individually.

With that in mind please can you, or your child not change the password.

Whilst the passwords will re-generate every couple of hours if you are struggling to sign into Fitter Future please sign up directly with them for a (free) account personalised to you by clicking [here](#) or visiting <https://www.fitterfuture.com/sign-up/> and selecting FAMILY

The log in details for Year 2 are:

Username	Password
year2	year2

Once you have logged on, you have access to a variety of different videos for being active and mindful. Along with this information, there is a Monday-Friday 'suggested' timetable which provides suggestions of videos you may want to try. It also provides skill challenges, game ideas, tips and tricks and fitness activities if you wish to go further which you can access via the YouTube links on the suggestions. To access them hold Ctrl and then click on the link.

If you do not have any of the resources available for the tips and tricks or game ideas, get adventurous and think of what you can use at home as a substitute.

We would love to see what you get up to and if you create or adapt any of the tips and tricks, challenges or game ideas. We might even give them a go ourselves and post the results up on our Facebook and Website!

Feel free to send pictures of this week's home learning that your child has completed.

Miss Brooks– [class5teacher@charnockhallacademy.co.uk](mailto:class5teacher@charnockhallacademy.co.uk)

Miss Reid- [class6teacher@charnockhallacademy.co.uk](mailto:class6teacher@charnockhallacademy.co.uk)

We look forward to seeing your home learning!
