

**Y6 Curriculum Planning Document – WB 1<sup>st</sup> June 2020**

**Mathematics**

Please use the following Oak National Academy resources which will focus on mathematical content throughout the second half of the Summer Term. The content that is covered links directly with the national curriculum objectives set for this year group. Please be aware that some content objectives covered will have already been set earlier in year, however, it is important that the children recover areas of the curriculum to develop a deeper understanding by accessing learning in a variety of formats.

Using this link - <https://www.thenational.academy/online-classroom/year-6/maths#subjects> - please access the 'Fractions' section to access the following lessons for this upcoming week:

Lesson 1 – Representing Fractions

Lesson 2 – Understanding Equivalence

Lesson 3 – Finding Equivalent Fractions

Lesson 4 – Compare Fractions Less Than One

Lesson 5 – Compare Fractions Greater Than One

There is a starter quiz and video for each lesson that children can watch prior to completing the activity – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!** Please feel free to also complete any work from your CGP workbooks alongside the guidance above.

**English (Reading, Writing and SPaG)**

Talk for Writing Unit of Work (*The Gadgets Workbook – by James Walker*)

This booklet is for the next 2 weeks for English – this is a brand new scheme of work. We hope you enjoyed Doors! There are 13 activities in total, so 1 activity per day is sufficient enough.

Each booklet contains a text and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your children will really enjoy this as it allows them to be creative!

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

Have fun!

Also you can still use your CPG workbooks as an additional resource. There is plenty of work within the Reading and SPaG workbooks for you to choose from. We have decided not to set specific pages as each individual child has completed work that is specific to their needs, therefore it is more appropriate for you to work through these at your leisure.

**Weekly Spelling List**

Accommodate	accompany	according	achieve	aggressive
Amateur	ancient	apparent	appreciate	attached
Available	average	awkward		

## Other Curriculum Areas

Hola Mexico! – Our new cross-curricular topic for Summer Term 1.

Get ready to explore this unique country, from its towering temples and stunning geography to its pulsing rhythms and fun-packed festivals. Tummy Rumbling? Concoct a traditional fruit cocktail or delicious Mexican meal. What's on your shopping list this week? Make sure you go steady with the spices though!

Discover the mysterious world of the ancient Maya civilisation. Make their chocolate, yes learn how to and actually make your own chocolate! Learn about their poetry, play their ball game and follow their curious rituals. Feel like celebrating? Design a flute, grab a drum if you have one (or borrow a saucepan) and create your own tribe – make as much noise as you like, as long as that is okay with your parents of course! Go and use the ideas below or go and find out about all of this for yourself, let's find out if you have what it takes to be chief of the tribe...

**We have recommended 5 different activities to have a go at completing this week:**

**DT** – Have a Mexican style dinner! Go for fajitas, nachos or tacos. There easy to make and you will have great fun doing so! Don't forget to add salsa and guacamole. There are plenty of recipes online, but you can buy fajita kits that have all the instructions and ingredients on the box. Give it a try, but make sure you join in with the cooking of it!

**PE** - <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> - Joe Wicks provides a 30 minute workout every morning from 9:00am. This is a great way to start your morning, I have done these myself and they are challenging! The stream goes live from 9:00am, so don't miss it!

**Spanish** - Visit **lightbulb languages website** (<https://www.lightbulblanguages.co.uk/home-spanish.htm>)

**Watch Spanish 13 clip: saying 6 minibeasts.** Practise saying the 6 minibeasts.

**Challenge 1:** Draw a picture of the 6 minibeasts and label the names of the minibeasts in Spanish.

**Watch Spanish 14 clip: saying numbers up to 15.** Practise saying the numbers.

**Challenge 2:** Play some of the games recommended to practise numbers up to 15 (click link at the side of the clip)

**Watch Spanish 15 clip: saying colours, numbers and shapes.** Practise saying the colours, numbers and shapes.

**Challenge 3:** Play some of the games recommended to practise the colours, numbers and shapes. Complete the counting activity (click link at the side of the clip)

**Watch Spanish 16 clip: saying 8 animals.** Practise saying the 8 animals. Sing along to the song (click link at the side of the clip)

**Art** – Same artist as last week - Rob Biddulph. An illustrator/cartoonist (Official World Book day illustrator!) and author. He posts a draw-along video that he puts on his youtube channel every Tuesdays and Thursdays at 10am. His full back-catalogue is available by using this link – <http://www.robbiddulph.com/draw-with-rob> - some real top quality cartoon illustrations!
