

Y6 Curriculum Planning Document – WB 4th May 2020

Mathematics

Please use the following White Rose resources which will focus on content that pupils would have experience in school during the Summer Term. This content that is covered links directly with our current mathematics scheme within school, Power Maths, just delivered in a different format.

Using this link -<https://whiterosemaths.com/homelearning/year-6/> - please access the 'Summer Term – Week 3' tab to access the 5 different lessons for this upcoming week:

Lesson 1 – please see website

Lesson 2 – please see website

Lesson 3 – please see website

Lesson 4 – please see website

Friday Maths Challenge!

There is a video for each lesson that children can watch prior to completing the downloadable activity. The independent activity and the answers are also located next to the video – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!** Please feel free to also complete any work from your CGP workbooks alongside the guidance above.

English (Reading, Writing and SPaG)

Talk for Writing Unit of Work (*Doors – the world of possibility*)

This booklet is for the next two weeks for English – this is the final week of this booklet. There are 10 activities in total, so 1 activity per day is sufficient enough.

Each booklet contains a story and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your children will really enjoy this as it allows them to be creative!

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

Have fun!

Also you can still use your CPG workbooks as an additional resource. There is plenty of work within the Reading and SPaG workbooks for you to choose from. We have decided not to set specific pages as each individual child has completed work that is specific to their needs, therefore it is more appropriate for you to work through these at your leisure.

Other Curriculum Areas

Hola Mexico! – Our new cross-curricular topic for Summer Term 1.

Get ready to explore this unique country, from its towering temples and stunning geography to its pulsing rhythms and fun-packed festivals. Tummy Rumbling? Concoct a traditional fruit cocktail or delicious Mexican meal. What's on your shopping list this week? Make sure you go steady with the spices though!

Discover the mysterious world of the ancient Maya civilisation. Make their chocolate, yes learn how to and actually make your own chocolate! Learn about their poetry, play their ball game and follow their curious rituals. Feel like celebrating? Design a flute, grab a drum if you have one (or borrow a saucepan) and create your own tribe – make as much noise as you like, as long as that is okay with your parents of course! Go and use the ideas below or go and find out about all of this for yourself, let's find out if you have what it takes to be chief of the tribe...

We have recommended 5 different activities to have a go at completing this week:

PSHE - How much do other people know about Mexico? Create questions for a fun quiz and try it out on family or friends.

Music - Try making musical instruments – simple drums, guitars, shakers – from everyday household objects, like plastic bottles, elastic bands, and rice.

DT - Make a typical Mexican dish, such as guacamole or tacos.

PE - <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> - Joe Wicks provides a 30 minute workout every morning from 9:00am. This is a great way to start your morning, I have done these myself and they are challenging! The stream goes live from 9:00am, so don't miss it!

Spanish learning

Visit **lightbulb languages website** (<https://www.lightbulblanguages.co.uk/home-spanish.htm>)

Scroll down to find video clips.

Watch Spanish 5 clip: saying yes and no. Practise saying yes and no.

Watch Spanish 6 clip: numbers 1 to 6. Practise saying numbers 1-6.

Watch Spanish 7 clip: numbers 1 to 10. Practise saying numbers 1-10.

Watch Spanish 8 clip: saying 6 colours. Practise saying the 6 colours.

Watch Spanish 9 clip: saying 5 more colours. Practise saying 5 more colours.

Spanish Language Challenges:

1. Can you find out how many countries have Spanish as their official language?
2. Can you find out the capital cities of ten Spanish-speaking countries?
3. Can you find the names of ten well-known sports players who are from Spanish-speaking countries?

Feel free to send pictures of this week's home learning that your child has completed.

Mr Stevens– class13teacher@charnockhallacademy.co.uk

Mr Stewart- class14teacher@charnockhallacademy.co.uk

We look forward to seeing your home learning!
