

## Y2 Curriculum Planning Document – W/C 8<sup>th</sup> June 2020

### Mathematics

Please use the following Oak Academy resources which will focus on content that pupils would have experience in school during the Summer Term.

Using this link - <https://www.thenational.academy/online-classroom/year-2/maths#subjects> please access the 5 different lessons for this upcoming week:

Lesson 1 – To identify shapes by the number of sides and vertices

Lesson 2 – To identify right angles in shapes

Lesson 3 – To recognise lines of symmetry within 2-D shapes

Lesson 4 – To name and describe 3-D shapes

Lesson 5- To identify 2-D shapes on the surfaces of 3-D shapes

There is a video for each lesson that children can watch prior to completing the activity.

### English (Reading, Writing and SPaG)

Talk for Writing Unit of Work (*Rainbows, Rainbows Everywhere*)

Each booklet contains a story and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your child will really enjoy this as it allows them to be creative!

Please complete the following activities:

Monday- Complete your 'Writing challenge'

Tuesday- Complete the 'Word challenge'

Wednesday- Complete the 'Talk challenge'

Thursday- Complete the 'Vocabulary challenge'

Friday- Complete the 'Make it challenge'

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

Have fun!

### Bug Club

Please use this wonderful online programme to allow your child to read books that are set at their reading level. Can you complete the quiz that comes with each book? When you finish all the books just send your class teacher an email and they will allocate you new books to read.

Happy Reading!

## Phonics

We are pleased to let you know that your child can receive a daily phonics lesson whilst CHPA remains closed. Phonics is the way we teach children to recognise the sounds in words. It helps your child to learn to read and is an essential part of your child's education.

During the summer term, you will be able to access for your child a daily phonics lesson by clicking on Letters and Sounds for home and school. All lessons are introduced by celebrities, including children's TV presenters, which adds an exciting addition to the lessons.

There are three sets of daily lessons to choose from and we suggest your child starts with one set of lessons most suitable to their reading ability. If you're not sure which lessons your child should watch, please check your child's Home Learning Diary and look at the coloured book band your child is currently reading or send an email to your class teacher for further clarification.

11 am*	<u>Learning to blend</u> <u>Phase 2 recap</u>	For children who are reading a 'Pink' book.
10 am*	<u>Reception Summer term</u> <u>Phases 3 &amp; 4</u>	For children who are reading a 'Red' or 'Yellow' book.
10:30 am*	<u>Year 1 Summer term</u> <u>Phase 5</u>	For children who are reading a 'Blue', 'Green', 'Orange' or above book.

You will find the lessons on the following link:

[https://www.youtube.com/channel/UCP\\_FbjYUP\\_UtldV2K\\_-niWw/featured](https://www.youtube.com/channel/UCP_FbjYUP_UtldV2K_-niWw/featured)

After watching each lesson, we encourage you to read aloud to your child and if your child has reading books from school, listen to your child read.

## Other Curriculum Areas

**We have recommended different activities to have a go at completing this week:**

**Music**– Can you write your own seaside song? Perform it for your family.

**Art and Design**- Draw a self-portrait of yourself. You may choose to draw your face or your whole body.

**PE** – Fitter Future

This week we are challenging Year 2 to use Fitter Future: Get Active and Fitter Fitter: Get Mindful as a tool to help keep you physically and mentally active during this time.

To access the programme simply visit [www.fitterfuture.com](http://www.fitterfuture.com) and select SIGN IN followed by STUDENT. Please use the below logins dependant on which year your child is in.

The platform is not designed for multi users with the same login details but due to the current situation it is easier to give every child in the school the same username and password rather than generate one per child which then needs emailing, by the school, to each parent individually.

With that in mind please can you, or your child not change the password.

Whilst the passwords will re-generate every couple of hours if you are struggling to sign into Fitter Future please sign up directly with them for a (free) account personalised to you by clicking here or visiting <https://www.fitterfuture.com/sign-up/> and selecting FAMILY

The log in details for Year 2 are:

Username	Password
year2	year2

Once you have logged on, you have access to a variety of different videos for being active and mindful. Along with this information, there is a Monday-Friday 'suggested' timetable which provides suggestions of videos you may want to try. It also provides skill challenges, game ideas, tips and tricks and fitness activities if you wish to go further which you can access via the YouTube links on the suggestions. To access them hold Ctrl and then click on the link.

If you do not have any of the resources available for the tips and tricks or game ideas, get adventurous and think of what you can use at home as a substitute.

We would love to see what you get up to and if you create or adapt any of the tips and tricks, challenges or game ideas. We might even give them a go ourselves and post the results up on our Facebook and Website!

### ***New initiative***

"Sheffield's sweet enough - Healthy eating recipes and activities

This is a city wide initiative launched by Sheffield City Council with the aim to help reduce tooth decay and obesity in Sheffield over the next five years. The initiative provides information on the effects of too much sugar and the tools families need to make informed choices to support their health. The dedicated website (<https://www.sheffieldissweetenough.org/>) has lots of interesting facts about sugar, guideline daily limits and top tips for healthy sugar swaps. Attached to the Pupil learning packs is a 'Feed your family for less' document, which contains tips and recipes on how to eat healthier, and activity worksheets that can be completed to help provide knowledge on 'sugar heroes' and 'sugar culprits'.

Feel free to send pictures of this week's home learning that your child has completed.

Miss Brooks– [class5teacher@charnockhallacademy.co.uk](mailto:class5teacher@charnockhallacademy.co.uk)

Miss Reid- [class6teacher@charnockhallacademy.co.uk](mailto:class6teacher@charnockhallacademy.co.uk)

We look forward to seeing your home learning!
