

Y5 Curriculum Planning Document – WB 29th June 2020

Mathematics

Please use the following Oak National Academy resources which will focus on content that pupils would have experienced in school during the Summer Term.

Using this link - <https://www.thenational.academy/online-classroom/subjects/#subjects> please access Year 5 – Maths – for this upcoming week. Please scroll down and access the ‘Converting Units of Measure’ section:

Lesson 1 – To convert between seconds, minutes and hours.

Lesson 2 – To solve problems involving converting between hours and minutes.

Lesson 3 – To convert between units of length.

Lesson 4 – To apply length conversions to problems.

Lesson 5 – To find the perimeter and convert units of measurements.

Each lesson includes an introductory quiz to allow you to review your previous knowledge on the subject. There is then a video for each lesson that children can watch prior to completing the downloadable Independent Task. You can then complete an exit quiz to test your knowledge from the lesson.

Please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!**

English (Reading, Writing and SPaG)

Please use the following Oak National Academy resources which will focus on English content throughout the second half of the Summer Term. The content that is covered links directly with the national curriculum objectives set for this year group. Please be aware that some content objectives covered will have already been set earlier in year, however, it is important that the children recover areas of the curriculum to develop a deeper understanding by accessing learning in a variety of formats.

Using this link - <https://classroom.thenational.academy/subjects-by-year/year-5/subjects/english> - please access the ‘Setting Description’ section to access the following lessons for this upcoming week:

Lesson 1 – Setting Description: Reading Comprehension – Fact Retrieval.

Lesson 2 – Setting Description: Reading Comprehension – Fact Retrieval.

Lesson 3 – Setting Description: Identifying the features of a text.

Lesson 4 – Setting Description: SPaG focus – Parenthesis.

Lesson 5 – Setting Description: Write a Setting Description.
