

Y6 Curriculum Planning Document – WB 15th June 2020

Mathematics

Please use the following Oak National Academy resources which will focus on mathematical content throughout the second half of the Summer Term. The content that is covered links directly with the national curriculum objectives set for this year group. Please be aware that some content objectives covered will have already been set earlier in year, however, it is important that the children recover areas of the curriculum to develop a deeper understanding by accessing learning in a variety of formats.

Using this link - <https://www.thenational.academy/online-classroom/year-6/maths#subjects> - please access the 'Fractions' section to access the following lessons for this upcoming week:

Lesson 11 – Fractions: To represent multiplication with proper fractions.

Lesson 12 – Fractions: To multiply pairs of proper fractions.

Lesson 13 – Fractions: To divide a proper fraction by an integer.

Lesson 14 – Fractions: To multiply and divide with improper fractions.

Lesson 15 – Fractions: To solve fraction problems with the four operations.

There is a starter quiz and video for each lesson that children can watch prior to completing the activity – please make sure that your child records their answers in their exercise book provided by school – **there is no need to print any resources!** Please feel free to also complete any work from your CGP workbooks alongside the guidance above.

English (Reading, Writing and SPaG)

Talk for Writing Unit of Work (*Monsters – by James Walker*)

This booklet is for the next 3 weeks for English. This is a brand new scheme of work. We hope you enjoyed Gadgets! There are 14 activities in total, so 1 activity per day is sufficient enough.

Each booklet contains a text and activities which are linked to it. Activities include spelling, grammar and writing for different purposes. We think your children will really enjoy this as it allows them to be creative!

You **do not need to print** the booklet as the activities can be completed in their exercise books. Please find the booklet uploaded to our school website under our class headings.

Have fun!

Also you can still use your CPG workbooks as an additional resource. There is plenty of work within the Reading and SPaG workbooks for you to choose from. We have decided not to set specific pages as each individual child has completed work that is specific to their needs, therefore it is more appropriate for you to work through these at your leisure.

Weekly Spelling List

Definite	Desperate	Determined	Develop	Dictionary
Disastrous	Embarrassed	Environment	Equipment	Especially
Exaggerate	Excellent	Existence	Explanation	

Other Curriculum Areas

Tomorrow's World – Our new cross-curricular topic for the final Summer Term.

Text messages, emails, websites, blogs and podcasts – there are so many ways to communicate.

Learn how to set up your own class blog and build a homepage on a subject of your choice. Suggest ways of improving your school website and hopefully the Headteacher will listen to your ideas!

Discover the movers and shakers in the world of technology – the people who've shaped the modern world. Perhaps you might be a visionary for the next generation.

Build robots and circuits, break codes and investigate gadgets galore. Why not write a thriller narrative in the style of Anthony Horowitz? Don't know who he is? Research it!

Then, on request from MI6, build a website for a new Spy School. What pages will it need? One for gadgets maybe? A secret lunch menu? You decide! Let's start today on Tomorrow's World...

We have recommended 5 different activities to have a go at completing this week:

Computing - Learn about different codes, such as the reverse alphabet or Morse code. Experiment by sending short messages to your friends or family members. Can they understand you?

Computing - Write a job advert to recruit a top spy. What skills and experience would they need?

Computing - Write a diary entry using only emoticons! Share your ideas with a friend. How well do the emoticons show what you did and how you felt?

PE - <https://www.youtube.com/channel/UCAxW1XT0iEJo0TYIRfn6rYQ> - Joe Wicks provides a 30 minute workout every morning from 9:00am. This is a great way to start your morning, I have done these myself and they are challenging! The stream goes live from 9:00am, so don't miss it!

Spanish - Visit **lightbulb languages website** (<https://www.lightbulblanguages.co.uk/home-spanish.htm>)

Scroll down to find video clips

Watch Spanish 24 clip: saying 9 pets, their names and ages. Practise saying 9 pets, their name and ages.

Challenge 1: Make a poster about your pet or a family pet that you know saying its name and age.

Challenge 2: Learn and practise singing the song at the side of the clip to practise pet names.

Watch Spanish 25 clip: describing flags using colour. Practise describing flags using colours.

Challenge 3: can you find out about the flags of the countries where Spanish is spoken. Draw your favourite flag.

Watch Spanish 26 clip: describing flags with shapes. Practise describing flags using shapes.

Challenge 4: design your own flag and describe it using colours and shapes.

Art – Same artist as last week - Rob Biddulph. An illustrator/cartoonist (Official World Book day illustrator!) and author. He posts a draw-along video that he puts on his youtube channel every Tuesdays and Thursdays at 10am. His

full back-catalogue is available by using this link –

<http://www.robbiddulph.com/draw-with-rob> - some real top quality cartoon illustrations!

NOTE: Please see attached on the school website a timetable example to support with the structure of your child's day.

Contact

Feel free to send pictures of this week's home learning that your child has completed.

Mr Stevens– class13teacher@charnockhallacademy.co.uk

Mr Stewart- class14teacher@charnockhallacademy.co.uk

We look forward to seeing your home learning!
