For reading, please continue to read the books from the link to Bug Club you were sent. There are lots of books to explore. You can also use the links we have sent previously for Oxford Owl www.oxfordowl.co.uk or you can listen to a range of stories at www.storynory.com Please email us if you have read all the books we have allocated and we can sort out some different ones. We can track what you have read and which activities you have done on each book.

Enchanted Woodland! – Our new cross-curricular topic for Summer Term 2.

Our new topic is Enchanted Woodland.

Please find below a list of suggested activities linked to our topic:

D&T: Can you make a stick man using different sized sticks for their body, legs, arms etc. You could also add labels for the body parts. You could make up and write a story for your character.

Art: Can you make an art gallery? Drawing different flowers, trees, patterns and even small scale sculptures. Write labels for your pieces in your best handwriting.

Computing: Google and research about the Woodland Trust. Find out what they do in the local area.

Feel free to send pictures of this week's home learning that your child has completed.
