

### Y1 Curriculum Planning Document – Week 3

Hello everyone!

#### Phonics/Reading

For reading, please continue to read the books from the link to Bug Club you were sent. There are lots of books to explore. You can also use the links we have sent previously for Oxford Owl [www.oxfordowl.co.uk](http://www.oxfordowl.co.uk) or you can listen to a range of stories at [www.storynory.com](http://www.storynory.com) This is a great time to develop a passion for reading.

#### Mathematics

Over the summer, we would like your child to revisit addition, subtraction and number bonds to 10 and 20.

Please make sure that your child records their answers in their exercise book provided by school or paper at home – **there is no need to print any resources!**

Number bonds

There are a range of sheets to support understanding of number bonds. Please select 3 sheets from the list below.

Robot number bonds to 10

Star number bonds to 10

Robot number bonds to 20

Number Bonds Challenges

Don't forget to keep using Times Table Rockstars to practise x2, x5 and x10.

#### English (Writing and SPaG)

The videos for these books are on BBC iPlayer if you don't have the books to read.

Week 3 – *The Snail and the Whale*

Monday – Choose one of the places that the snail and the whale visit and write a diary entry as the snail about her time there.

Tuesday – In the story, the whale gets stuck on the beach. Can you write a letter to the school children asking for their help to save the whale?

Wednesday – The snail and the whale travel across the ocean to visit many places together. Can you use the ocean as the main setting and write a description about it? (If they were in the middle of the ocean, what would they see around them, what would they hear, would they see other sea creatures?)

Thursday – Imagine you were the snail in the story and you could choose a place to visit with the whale. Where would you go? Write a list of items you would pack in your bag to take with you, and explain why you would take them.

Friday – If you could go on an adventure on the back of the whale, who would you take with you, and why?

Can you remember what these symbols mean?

Pro nouns

verb

adjectives

noun

main clause

Doctor Sense

simple sentence.

**Please practise reading and writing these in your book.**
