

Y2 Curriculum Planning Document – Week 1

Mathematics

Over the summer, we would like your child to revisit the four number operations: addition, subtraction, multiplication and division.

This week: Addition

Learning Reminders

Identify an appropriate operation (addition/subtraction) needed to solve a word problem.

Let's use Spider and Fly.	1	2	3	4	5	6	7	8	9	10
Put spider on 54.	11	12	13	14	15	16	17	18	19	20
Count back 20, to land on 34.	21	22	23	24	25	26	27	28	29	30
Now swap to Fly. He counts back 3.	31	32	33		35	36	37	38	39	40
54 - 23 = 31	41	42	43	44	45	46	47	48	49	50
31 eggs left!	51	52	53		55	56	57	58	59	60
	61	62	63	64	65	66	67	68	69	70
	71	72	73	74	75	76	77	78	79	80
	81	82	83	84	85	86	87	88	89	90
	91	92	93	94	95	96	97	98	99	100

1. $73 + 21$
2. $52 + 37$
3. $54 + 26$

Challenge

Write the same number in both boxes to make the sum correct.

$$\square + \square = 68$$

4. $47 + 47$
5. $39 + 61$
6. $31 + 42$

Challenge

Find three different pairs of numbers that total 91.

Mastery: Reasoning and Problem-Solving

Look at this bar diagram. Work out the value of the missing number:

?	
32	64

- Explain why it might help to change the order of this addition before we try to find the answer.
 $15 + 62 = \square$
- Would you use counting on or partitioning to work out these additions? Why? Find the answers.
 $35 + 57$
 $77 + 22$
 $84 + 6$
- Sam had some stickers. His sister takes 22 and he gives his friend 45. He has none left. How many did he start with?

There are also fun online maths games to support this week's learning.

<https://www.topmarks.co.uk/Flash.aspx?f=PostSortingcalculationsv2> (Post sorting addition)

Times Table Rockstars

Use this link- <https://play.trockstars.com/auth/school/student> to access 'Times Table Rock Stars'. Your child will be assigned times table challenges to complete on the 'Garage' mode over the summer.

English (Reading, Writing and SPaG)

Please use the following resources on our class page which will focus on the English content for Year 2.

This week's focused story is called 'My Uncle is a Hunkle' by Clarice Bean. Watch the video clip and complete the activities provided on the PDF. Which are:

- To find describing words of a character
- To write a character profile
- Extra fun activity: To write a character profile of the people who live in your home.

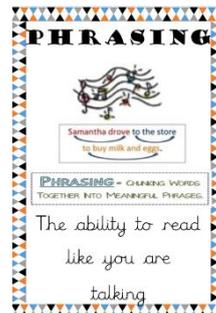

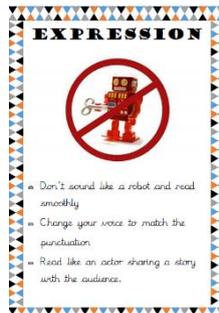

Spellings

In September, there will be a spelling test based on the Year 2 common exception words. These are the spellings that children should know by the end of Year 2. You will find these in the back of the reading diaries.

door	child	cold	pretty	grass	improve	whole	half
floor	children	gold	beautiful	pass	sure	any	money
poor	wild	hold	after	plant	sugar	many	Mr
because	climb	told	fast	path	eye	clothes	Mrs
find	most	every	last	bath	could	busy	parents
kind	only	great	past	hour	should	people	Christmas
mind	both	break	father	move	would	water	everybody
behind	old	steak	class	prove	who	again	even

Reading

This week's reading challenge is 'The Bear Who Came to Babysit'. Allow your child to read the story independently with all the reading cues below and to answer the comprehension questions.

Please encourage your child to continue to read books during the summer holidays. Your child can read storybooks to comics to enhance their love for reading. There is also the online programme 'Bug Club' to allow your child to read books that are set at their reading level.

Happy Reading!

Phonics

During the summer term, please continue to practise these sounds with your child. They should be able to segment and blend these sounds within a word.

There is phonics workbook on the class page for your child to work through over the summer under the 'Phase 5 Phonics Activity Booklet'.

My Phase 5 Sound Mat
