

Y3 Curriculum Planning Document – W/C 13th July 2020

We hope you are staying safe and keeping busy during this difficult time. Below is the home learning to be completed from 13th July 2020 for Year 3 pupils. Thank you to those pupils who have shared images of their learning with us, we really enjoy seeing what you have been doing!

Topic- Tribal Tales

This half term's unit is Tribal Tales. Take a moment to step outside and stand quietly and still. Turn off all your technology and try to forget the modern world. Imagine this place 5000 years ago. What would you have seen? Head back to prehistoric times (it's a long time ago) to gather berries and hunt down dinner. Unearth ancient objects and visit astonishing mystical monuments that reveal the secrets of ancient times. Learn how the people of Britain developed over thousands of years, from the Stone Age to the Roman invasion. Work as a tribe to build a seasonal monument to celebrate the coming of spring. Then sit quietly and reflect, waiting for the sunrise. What tribal tale will you have to tell?

This term pupils should have been visiting Creswell Crags to learn about the Stone Age and visit the caves. Feel free to visit the website (<https://www.creswell-crags.org.uk/education/teaching-resources/>) where there is additional information on our topic and a number of activities linked to the Ice Age you may wish to complete.

We recommend having a go at completing 3 different activities this week:

History:

Imagine you had a time machine, you can return to either the Bronze Age, Iron Age or Stone Age. Prepare a mini presentation to showcase your choice.

PSHE:

Compare life in prehistoric times to your life today. What are the similarities and difference? What may people in prehistoric times have worried about? Can you compare these to any modern day worries?

Computing:

Finish your PowerPoint to showcase your learning from this topic (this can be done over a number of weeks). You may want to show this to a family member to share your learning.

It's getting closer to the summer holidays, so please feel free to start winding down, we know you've all been working really hard, parents and children alike. We hope the sun comes out to play and that everyone gets their own mini British holiday! ☺

Feel free to send pictures of this week's home learning that your child has completed:

Mrs Ezard/Miss Enright– class7teacher@charnockhallacademy.co.uk

Miss Copley- class8teacher@charnockhallacademy.co.uk

We look forward to seeing your home learning!
