Y5 Curriculum Planning Document – WB 13th July 2020

We are only going to set curruculim work over the next two weeks.

Curriculum Ideas

English – Describe the feeling of writing a rollercoaster by answering the following questions by writing a paragraph in role.

What does it feel like?

Where are you sitting and why?

How do you feel as sit down to begin the ride?

How many adjectives can you think of the describe the rollercoaster experience e.g exhilirating.

What do you see from the very top?

Do you lift your hand up? Why or why not? How do you feel when the ride comes to an end?

Geography - Find the location of Disney theme parks around the world and locate them on the attached word map.

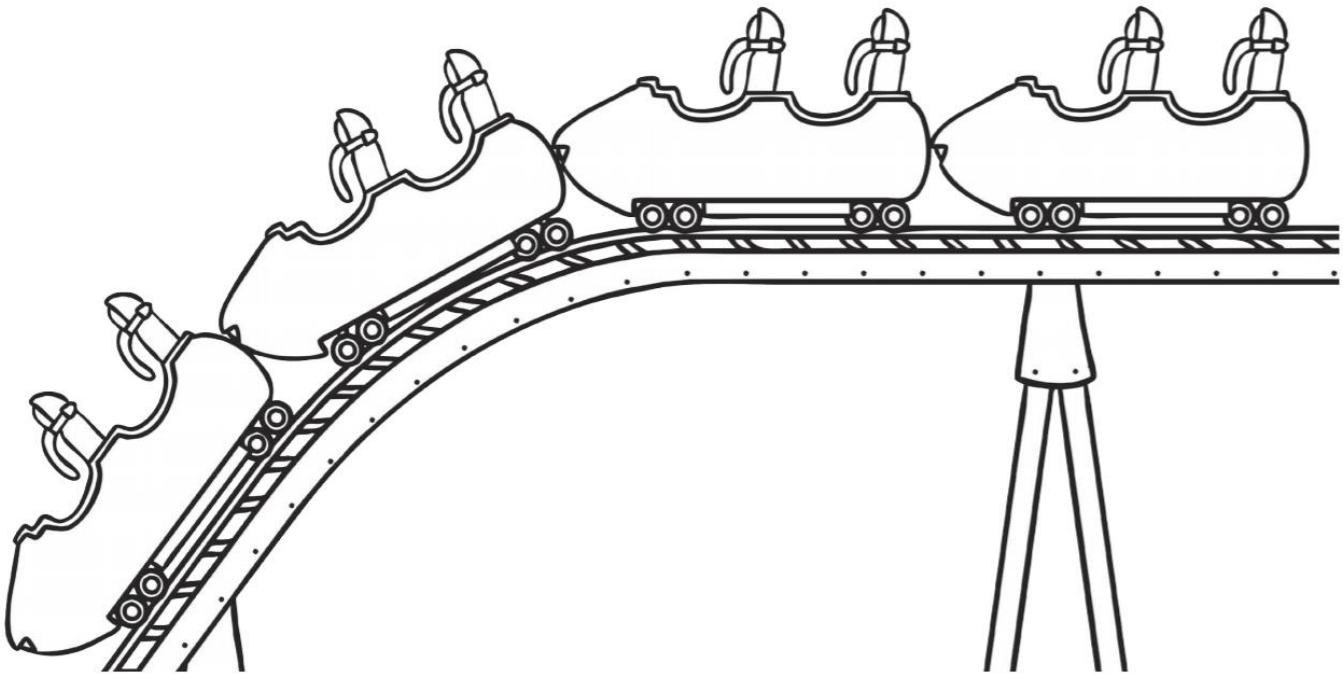
Map of the World

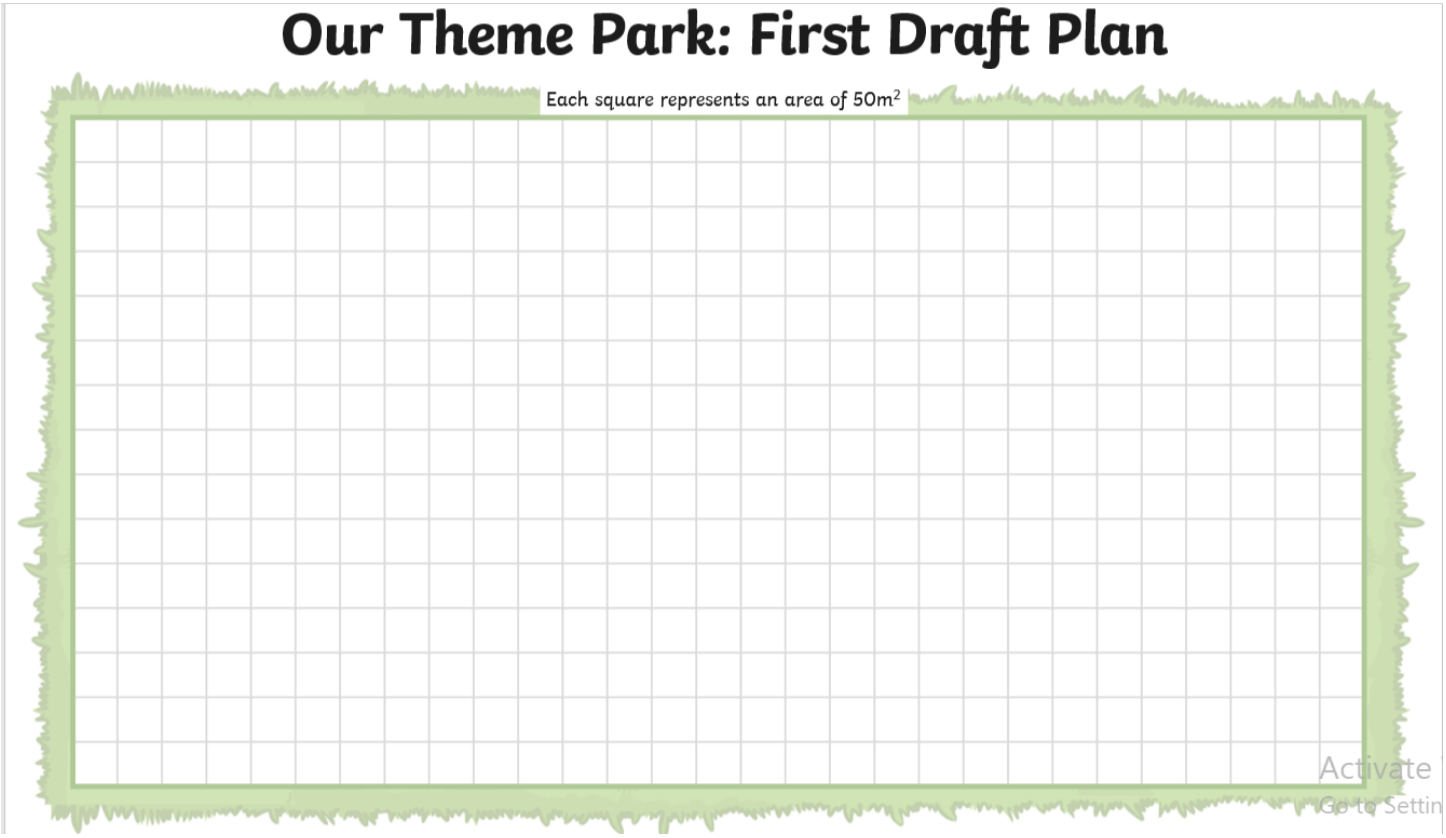
ICT - Research and write a biographical account of Walter Elias Disney, animator and entrepreneur.

PSHE - All of us will experience emotional highs and lows throughout the day, month or year. It is ok to have these mood changes. Can you discuss with a family member how you feel about returning to school in September? Then on the rollercoaster carriages below write down what you are looking forward to

about September and what you may feel anxious about.



Geography – Design your own theme park map and key. Make sure you have thrill – seeker rides, family rides, water rides, children's rides, attractions, toilet blocks, a first aid booth and places to eat on your map. Then copy your map onto the template below. This will help you with the maths lesson attached.



Maths – Use your theme park map from the geography lesson to allow you to build a budget for your theme park.

Are you within budget?
