A huge thank you to you

Once again, huge thanks to you all for your ongoing support, best wishes and understanding as we work through each day. I will keep you informed of any changes and updates we can make to these as we move forward.

COVID Advice

With the announcements from Government and the Prime Minister earlier in the week, it is clear that the current procedures and practices we have implemented at CHPA will remain in place over the winter period. Although we are managing the safety of all site users well, and to this point we have had no positive pupil test outcomes, things are changing daily. At all times, I will keep you fully up to date of any changes, be they a tightening or slight relaxing of our approaches.

One slight development has been made at lunchtime, starting from today. At lunchtime, pupils will remain sat with their classes during lunchtime. Up to now, pupils have been able to sit with anyone in their year group (Bubble), however, to minimise internal contacts, this is something we feel is important to implement as it ensures we can keep an even tighter control on internal contacts, in the event of anyone receiving a positive test result.

As a reminder, the main test-booking page is rebooted at 10am and 8pm daily. It is best to try to book at this time rather than any other time of the day, due to the current demands.

Sheffield 6 months in!

Last night I shared this picture via our social media accounts and feel it celebrates our great city brilliantly!

The efforts of staff, pupils and families have been superb at keeping everyone safe and ensuring that pupils have continued to access education, albeit in a different way.

Test & Trace

Earlier this week, NHS Test and Trace has launched the [NHS COVID-19 app](#). The app has been launched to help control the spread of coronavirus (COVID-19). It will do this by alerting people who may have been exposed to infection so that they can take action.

The app is available to download on smartphones for anyone aged 16 or over. The app is simple to download, as some staff and I have already done it.

CHPA is proud to be part of our special Steel City. The effort and courageous work of our pupils and teachers and pupils throughout lockdown and now we are back in class demonstrates our steely resolve and attitudes. #LOVECHPA

I know staff are already putting their orders in!
