## Weekly Newsletter Update – WEEK 37

Dear Parent/Carer,

Welcome to Newsletter 37.

A challenging week at CHPA this week and this reflect in this week's Newsletter being 4 pages long – but it is full of very important information, so please read it carefully. One that started so positively on Monday with the Learner of the Week Assembly, EYFS/KS1 Sports Day, which was followed on Tuesday with the KS2 Sports Day. Following this, on Wednesday, we celebrated a fantastic assembly with the PTA, to recognise the achievements of so many pupils who took part in the CHPA-PTA Walk-a-thon (more details to follow about all these later). Then the week became more difficult, with us having to close the Y2 bubble and yesterday the Y5 bubble followed. However, staff have been both proactive towards all situations and have reacted fantastically well when needed. I cannot thank them enough for all their hard work, in face of such variable and difficult, fast changing issues.

### Covid Updates

As explained in my letter on 1.7.2021 (see embedded document below), the Covid variant has hit Sheffield, its schools and CHPA hard this week. As a result of this, we have unfortunately had to close 2 year groups, Y2 and Y5. At the time of writing, these closures are both due to completely unrelated single cases in each year group.

In the event of any positive Covid case, be this through LFD or PCR testing, there is protocol we follow that is set by the Department for Education and Public Health, which includes identifying contact points over the previous 48 hours. Once collated, this information is referred to the DfE, who then provide guidance on the necessary actions, which any school must then undertake. It is this information that CHPA then shares with yourselves.

As a reminder, in the event of any Covid case being identified please contact us using the main phone number 0114 2396083 and speaking with a member of staff or leaving a voicemail, and by sending the details of the Covid case to our dedicated Covid email address [covid@charnockhallacademy.co.uk](mailto:covid@charnockhallacademy.co.uk)

If anyone is directed to isolate, this does mean isolation! Unfortunately, since the closure of both Y2 and Y5 bubbles, there have been a number of pupils seen around the Charnock/Gleadless area and in the city centre. Where this is the case, we have no option but to pass this information on to the local authority.

A huge thank you to 99.9% of parents who have shown understanding of the difficulties surrounding the decision not to invite parents, but due to the number of pupils at CHPA and the numbers of parents who would have wanted to attend, it was just not safe to bring you on to site. With further hindsight, due to the events that have occurred in the later part of the week, this decision remains 100% the correct one as the positive test results received later this week could have caused complete devastation to the whole CHPA population. Having spoken to other Headteachers also, the significant majority of other schools have also undertaken their Sports Days without parents attending. I hope that 2022, will see everyone back Sand cheering your children on.

### Transition to 2021-2022 classes.

Due to the increase in Covid cases in Sheffield, advice received yesterday for Greg Fell, Director of Public Health Sheffield and our Y2 and Y5 bubble closures, we will unfortunately be unable to undertake the planned transition week next week.

At this moment in time, we are examining the different possibilities as to how we could still do a much-shortened version of transition in the final week of term, but this is dependent on the weather, as it would have to be outside.

As a staff, we will be considering different options next week to ensure that pupils and parents have the maximum amount of information to support effective transition. As always, pupils will find out first and then parents will be notified.

I will let you know our final plans as soon as they are formulated.

Thank you for your understanding with this matter.

## Booster Sessions

Due to implications caused by Covid, the Y1, Y2 and Y5 Booster groups are now cancelled for the last 2 weeks of term. This is to further reduce the risk of Covid infection and the possibility of further bubble closures.

## Celebration Assembly – Monday 5<sup>th</sup> July 2021

As Y2 and Y5 are isolating, these pupils will be able to access the Monday morning Celebration Assembly via a Teams link that will be sent out over the weekend.

If on Monday, your child is absent, please contact class teacher, who will share the link with you to access.

This way, we can keep every CHPA pupil involved with what is happening on site.

## Y4 The Deep visit

Due to Covid difficulties, leadership are reviewing options for the planned Y4 visit to The Deep. We will update you with information next week.

## Supporting the 3 Lions and diversity

Thanks to everyone for their support in fundraising for additional reading books for next year through our 3 Lions and Diversity non-uniform days. England play their Quarter-Final game v Ukraine on Saturday evening and should they win, the Semi-Final match would take place on Wednesday 7<sup>th</sup> July at 8pm. If England did reach the Semi-Final, we would undertake another non-uniform event.

Upon completion of England's Euro 2020 campaign, we will share the total amount raised. Thanks for all your support with this.

## Free School Meals

Earlier today Sheffield City Council have confirmed that they will be providing food vouchers to those eligible for 'benefits based' Free School Meals, across the city for the duration of the six-week Summer holiday period.

Due to the COVID-19 Pandemic, there may be many of you, who in these difficult times are eligible to access Free School Meals.

If you have any questions, please contact us on 0114 2396083 and we will answer any questions in complete confidence.

This system is there to help anyone eligible in time of difficulty, and additionally, CHPA will receive further funding, which in times of tight budgets, is extremely valuable to us driving CHPA forward and provide further opportunities for your child.
